17. FOIH not aware of the resident's fence. Tree planting on 25<sup>th</sup> November was very successful with about 50 people present - Beavers and parents. Iver Flowerland gave a quantity of daffodil bulbs which were planted at the same time. Tree works close to A412 noted.
18. Matters to be raised by the Chairman – there were none.
19. IDCA report – written report from Simon Hill about the tree planting, and informing that Groundwork had donated the tree protection guards appended.
20. FOIH report – two problems to report: i) a boy believed to be named Kenny from Heatherden Green had broken the kissing gate and taken a large scramble bike onto the Fields. They have not been seen since. Home-made benches have also been vandalized and there have been bonfires in the 'bomb hole'.
