21. **Clerk's report:**

Members were informed of the tragic and sudden death of Chris Campbell and advised that arrangements are in place to ensure necessary work is still carried out.

Kebbell Homes have completed demolition work of the bungalow and will be demolishing the old changing rooms in early November. Noted.

Playground Services and Playground Facilities will be removing the old playground equipment and putting grass crete in its place, installing the Steel Builder equipment and a couple of springers on the recreation ground with fencing and installing the new play equipment, when it is ready. Expected start date was 22nd October. Noted that work has begun but new equipment is not yet in place and the timetable for this has slipped. It is apparent that residents are not happy and it was agreed that communication should have been better.

The Green Gym project is not going ahead at the present time.
22. Mr Pomeroy was not in attendance so there was no report from him.
23. Cllr Clark undertook to liaise with relevant people and decide on the best course of action.
24. Cllr Clark will include in his efforts the production of suitable publicity material.
25. The Chairman raised no further matters
26. There were no representatives from the Allotments or the Scouts. Delaford Colts felt that everything had been covered.
27. Cllr Clark will propose budgetary requirements to Amenities on 7th November.

Date of next meeting Wednesday 9th January 2008.
