

IVER PARISH COUNCIL NEWSLETTER (Iver March 2008)

Since the county Council closed the libraries in Iver and Richings Park the communities have set up new Community Libraries. The Parish Council chairman, Julian Wilson recently opened the Community Library and the tea rooms in St Peter's Centre, Iver.

Work has been going on to provide a new children's playground at Iver Recreation Ground. This has been funded by funds obtained from the developer of the adjacent site and will also provide for more parking space at the Recreation Ground. The new children's playground will be officially opened on 11th March at 10.30 am.

The outreach youth work and drop in centre at Iver is running on Wednesday evenings in St Peter's Centre. In Richings Park it happens on Monday evenings in The Core building behind St Leonard's Hall. More volunteers needed to assist at both venues. If you would be interested in finding out more please telephone the Parish Council office or Sally Tugwell the outreach youth worker on 01753 651001.

Now is the time to think about taking an allotment. There are some available at only £15 a year, which is good value for money and think of the wonderful organic food you can feed your family with.

The non-emergency police number for reporting incidents or making contact with police officers is 08458505505. The Parish Council would urge anyone who sees an incident of vandalism or anti-social behaviour to report it. For crimes in progress the number is still 999.

The Iver Parish Council website at www.iverparishcouncil.gov.uk contains details of all your councillors and meetings of the council. Why not advertise your local events on the site's social calendar page.
