

BUCKINGHAMSHIRE COMMUNITY FOUNDATION PRESS RELEASE

6 July 2011

Buckinghamshire Community Foundation is an independent registered charity dedicated to promoting charitable activity within the County. We specialise in making awards to groups at grass roots level who otherwise might not be able to access support. Since January 2000 we have given over £3 million in grants to over 1,500 local community groups and projects.

We are pleased to have given a grant today to Iver Parish Council for their youth outreach work. The grant of £980 will be used for subsidised trips to activities at “Go Ape”, knee boarding, snow boarding and Thorpe Park for up to 80 vulnerable young people who would otherwise have no holiday activities.

Buckinghamshire Community Foundation administers a range of funds and would like to hear from small community groups working to improve the quality of life within their town or village.
